

ALCHEMY EVENING OF DEVOTIONAL SINGING WITH BENJAHMIN & JAI KARTAR

Mantras and the Vibrations of Sound form the Base Note to our Existence and to Chant or Sing them brings a Frequency of Joy and Oneness to All. To Merge with the Sound Current is to Merge with all that is and our Potential as Human Beings.

Benjahmin and Jai Kartar will lead a Monthly Kundalini Mantra Celebration on a Sacred Sunday.

With New Expressions/Compositions of Divine Mantras and some more familiar ones by well know artists, each person can join in with their own Personal Expression and Vibration of the Shabd Guru and together we can Experience that Sense of Joy and Oneness within the Merging.

Our Aim is to Create a Space for the Evolution of the Aquarian Spirit and to Manifest it Now through the Gift of Community.
